Loving God...Loving One Another...Serving the World

Look for ways your child can serve. Make a card for a friend, visit an elderly person, help with a chore, play with a younger sibling, or help make part of a meal you are taking to someone. Talk with them about what it means to serve. Talk about ways your family can serve God in daily life. Thank God for loving His children and for giving them the power to serve Him.

Central truths that we seek your child learns while in Kingdom Kids!

God made Me and all things, God loves me and wants me to love Him. Jesus died on the cross and rose from the dead so that I can be part of His family forever.

God Calls Moses

Illustration by Keith Neely

When Moses grew up, he went to Midian and became a shepherd. One day he led his flock to a mountain in the desert. Moses saw a bush on fire. "This is amazing," Moses said to himself. "Why isn't that bush burning up? I must go and see it." God spoke to him from the burning bush. "Go," God said to Moses. "I am sending you to Pharaoh. You must lead my people, the Israelites, out of Egypt."

But Moses was afraid to go. God promised, "I will be with you." He gave Moses special signs to show His power and cause the people to believe in Him. God told Moses to throw his shepherd's staff down on the ground. So Moses did and it turned into a snake! God told Moses to reach down and grab the snake's tail. Moses reached out and grabbed it, and it turned back into a shepherd's staff again. Then, God told Moses to put his hand inside his cloak (coat). When Moses took it out it was white as snow with a severe skin disease. "Now put your hand back into your cloak," God told Moses. This time when Moses took his hand out it was healthy like the rest of his body! God told Moses if the people don't believe the first sign show them the second one and then they will believe.

Moses pleaded with God, "I am not very good with words." Moses did not think he could do what God was asking of him. God promised to teach Moses what to say to the people and sent Aaron to be his helper.

At last, Moses was ready to trust God and obey. He was ready to leave Midian and go back to Egypt.

God called Moses. God prepared Moses. Now Moses was ready to serve God.
