

# Workable Wisdom

## Questions for discussion:

What do you learn from Matthew 5 about the law (outward behavioral modifications) and deeper wisdom (what Jesus says is the truth that goes to our heart and soul-level)?

Verses	The Law (You have heard it said)	Deeper Wisdom (But I say ...)
5:21-24	Do not murder	Angry, "You fool!" is in danger; be reconciled
5:27-30		Lustful look is adultery in heart
5:31,32	Give your wife a certificate of divorce	Don't cause adultery; your hard heart; don't separate what God has joined, Mt 19:3-9
5:33-37		Let your "yes" be "yes," your "no" be "no"
5:38-42		
5:43-48		

Verses	What the hypocrites do	What Jesus says to do
6:1-4		
6:5-15		
6:16-18		
6:19-21		
7:1-5		
7:13,14		

## Quiet

Read through Matthew 5-7, the Sermon on the Mount. Just enjoy it. The pressure is off ... just see how Jesus takes the recommendations of how to live life to a deeper level. What are your thoughts as you apply this level of wisdom to your own soul and lifestyle?
