

ALL ABOARD!

**WELCOME TO ROCKY RAILWAY PRESCHOOL VBS!
WE WILL LEARN THAT SOMETIMES, LIFE CAN BE HARD. BUT,
JESUS' POWER PULLS US THROUGH!**

Today you will...

- Hear a Bible lesson about a man who couldn't walk
- Color our Bible Buddy "Sierra"
- Do a "Walking Man" craft
- Play the games "Praise Tag" & "Help the Conductor"

Sierra

Jesus' Power Helps Us Be Bold

DAY 3 CRAFT

WALKING MAN

Supplies Needed:

Index card or heavy paper

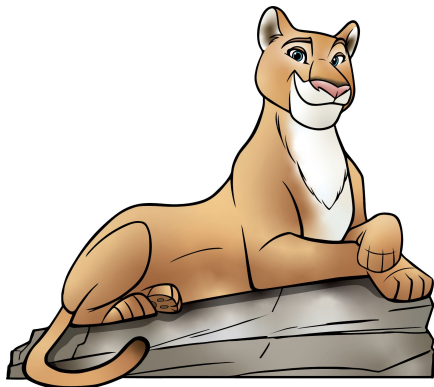

Crayons or markers

Hole punch or scissors

Today in our Bible lesson we learned that Peter and John walked around telling everyone about Jesus' love. Let's make a little person that we can have walk around and tell about Jesus too!

Directions:

- Give your child an index card or cut a piece of heavy paper about 3"x5".
- Tell your child to draw a picture of a person on the card, excluding the legs- draw the face, hair, body and arms.
- Where the legs would be drawn, use a hole punch (or scissors) to cut a hole where each leg would be.
- Your child will place two fingers through the holes to create legs for their person. They can walk their person around on a table top.

Peter and John boldly praised Jesus for healing the man who could not walk. And they told everyone about Jesus' love. We can be bold and tell people about Jesus' love too!

JESUS' POWER HELPS US BE BOLD!

DAY 3 GAME

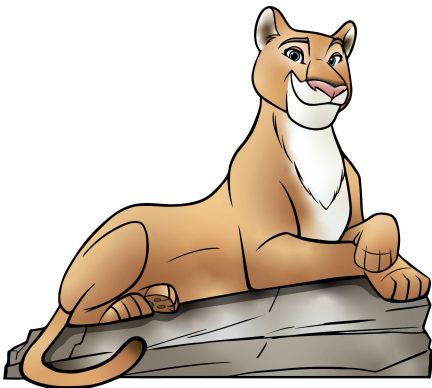

PRAISE TAG

Supplies Needed:
Space to run

In our Bible lesson today we heard that many people praised Jesus for healing the man whose legs didn't work. There are lots of ways to praise Jesus like jumping, dancing and singing. Let's praise Jesus by playing a game of tag.

Directions:

- *Designate an area to play tag.*
- *The parent or sibling is the tagger.*
- *Allow your child to run while the tagger tries to catch them.*
- *If you catch your child, your child freezes.*
- *To become unfrozen, your child must yell "Jesus' Power Helps Us!"*
- *Begin again. Take turns being the tagger.*

We were able to stop and praise Jesus in our game. Jesus is so awesome! We can praise him anytime! We can tell others how awesome he is, too!

JESUS' POWER HELPS US BE BOLD

DAY 3 OPTIONAL GAME

HELP THE CONDUCTOR

Supplies Needed:

At least 3 people

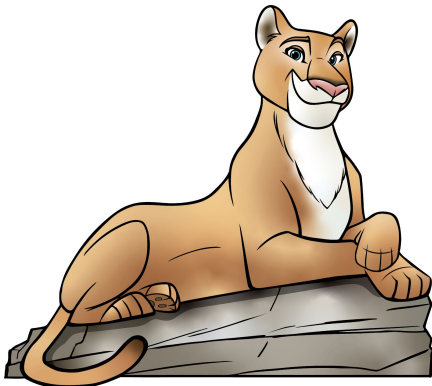

Stuffed toy (or ball)

We are going to play a game about train conductors. A conductor has to walk up and down the train to check people's tickets. We are going to pretend that our stuffed toy is the train conductor. We will help him walk from the engine to the caboose and back.

Directions:

This game needs at least 3 people. You will pass the toy down the line alternating between over the head and through the legs.

- Have each person make a line standing one behind the other.
- The person in front (the engine) has the stuffed toy "conductor." She bends over and passes the conductor through her legs to the person behind her.
- The second person in line receives the "conductor" and passes him over her head to the person behind her.
- The "conductor" continues getting passed over and under each person until he reaches the last person in line (the caboose).
- The caboose passes the conductor back up the line to the engine.

*In our game the conductors needed help getting to the end of the train. Sometimes we need help going to tell people about Jesus' love.
But Jesus is always there to help us!*

JESUS' POWER HELPS US BE BOLD!
