

DON'T MISS THIS .. YOUR CHANCE TO SERVE!

Throughout each year, many of you serve in our Kids Street Church services in many different ways. When you get your monthly newsletter in the mail around the first of each month, turn to the back of the insert to find your name, and see what duties you will have on any given

Sunday during that month. **That, my friend, is really AWESOME!** Even as a child, you are being faithful in your service to God!! And those duties are very important to our Kids Street Church services. Whether it is helping to lead a song, passing out newsletters to our special guests, operating the laser pointer onto the big screen (2nd grade and older), passing out ID badges, operating our laptop (5th graders), ushering, reading scripture, helping to stack chairs after the service, operating either the camera or the lighting (3rd grade and older), or helping to hold a flag or Bible during our monthly pledge time, please know that your service to God is important, and also sets a good example for other children!

Each September, we encourage each of you to complete a new servant survey. This sheet collects your information and lets me know how you are interested in helping us lead your Kids Street Church service each month. If you've NEVER filled out a servant survey, just flip this sheet over, fill it out, and get it back to Mr. Tim! Easier yet, you can also go to our church website (www.tbcnow.org), click on "Ministries", "Worship", and then "Kids Street". There you can find the link to the "Servant Survey", where you can click on the link to your age and worship service. If you HAVE filled one out in the past, please do so again and turn it back in to me as soon as possible. Your preferences may have changed, and we want the most current choices you may have, so we can create our duties for the next 12 months with them. Beginning next month (October), this page of

our newsletter will once again be the SEAL SHEET (which literally stands for "Setting Examples and Leading"), filled with the names of those of you assigned where you are gifted and most comfortable - during both services throughout that month.

We will have a special service in Kids Street Church on a certain Sunday this month, at which time we will give many more details about these opportunities to serve. In addition, we will give each child a hard copy of a blank servant survey. Again, our goal is to get these completed forms back no later than the last week of September so that everyone is back on track to serve each month, starting in October.

If you or your parents have any questions about this process which encourages your participation and service in our worship services each month, PLEASE don't hesitate to contact me. We want you to serve as God intended!!
